SUPERFICIE

LA SUPERFICIE DELLA COLLEZIONE RICORDA QUELLA DELLA PIETRA ALLA QUALE SI ISPIRA: MOSSA, MATERICA ED ESSENZIALE, È UN OMAGGIO DEL DESIGN CONTEMPORANEO ALLA NATURA VIVENTE E RECONDITA DEGLI APPENNINI, INCORNICIATA DAGLI ACCENTI METALLICI DEL DECORO.

SURFACES

THE COLLECTION'S SURFACE IS REMINISCENT OF THE STONE THAT INSPIRED IT: UNDULATING, HIGHLY TACTILE AND ESSENTIAL, IT IS CONTEMPORARY DESIGN'S TRIBUTE TO THE APENNINES' LIVING AND OBSCURE NATURE, SURROUNDED BY DECORATIVE METALLIC ACCENTS.

SUPERFICIE

LA SURFACE DE LA COLLECTION ÉVOQUE CELLE DE LA PIERRE, DE LAQUELLE ELLE S'INSPIRE : VARIEE, MATERIELLE ET ESSENTIELLE, C'EST UN HOMMAGE DU DESIGN CONTEMPORAIN À LA NATURE VIVANTE ET CACHÉE DES APENNINS, ENCADRÉE PAR LES ACCENTS MÉTALLIQUES DE LA DÉCORATION.

SUPERFICIE

LA SUPERFICIE DE LA COLECCIÓN RECUERDA LA PIEDRA EN LA QUE SE INSPIRA: VIVAZ, MATERICA Y ESENCIAL; ES UN HOMENAJE DEL DISEÑO CONTEMPORÁNEO A LA NATURALEZA VIVIENTE Y RECONDITA DE LOS APENINOS, ENMARQUADA POR GRADACIONES METÁLICAS DE DECORACIÓN.

OBERFLÄCHE

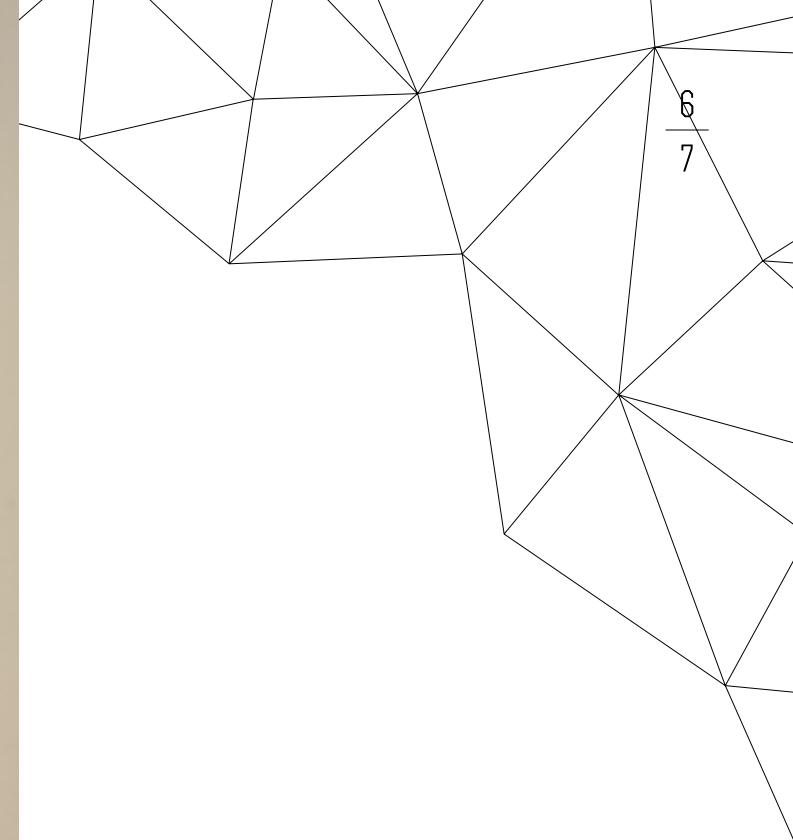

Die Oberfläche der Serie erinnert an diesen Schiefer-Stein, an dem sie sich inspiriert hat: lebhaft, materisch und essentiell. Eine Huldigung des zeitgenössischen Designs an die lebende und verborgene Natur der Apenninen, durch die Metallakzente der Verzierung eingehakt.

ПОВЕРХНОСТИ

Поверхности изделий коллекции напоминают камень, послуживший источником вдохновения для ее создания. Неровные, фактурные и основательные, это дань современному дизайну и живой таинственной природе Апеннин, в оправлении металлических деталей декора.

外观

样品的表面环绕着金属的装饰记载了石头本身那些唤起它灵感的：波纹，材质和内在，是当代设计对鲜活自然和深奥亚平宁山脉的馈赠。
